Come and enjoy the peace and quiet in complete harmony with the surrounding natural landscapes.

Solmar is situated in the centre of the picturesque parish of Seixal, belonging to the Municipality of Porto Moniz on the northern coast of Madera Island. This parish, with a population of approximately 800 people, is well known for its hospitality towards anyone who visits it. Tradition and culture is very important to the local inhabitants, thus making this location one of the most unique and pleasurable on the northern coast.
